Re: Planned Retirement

Dear Governor Justice:

It has been my great honor to serve on the Public Service Commission for the past twelve years and to have the privilege of serving the State of West Virginia, and three different Governors, as Chairman of the Commission during that time. By statute, my current term on the PSC ends on June 30, 2019.

My plan is to assist in any transition as I complete my current term and then disappear quietly into the life of this community.

I have enjoyed my years of working for, and serving on, the PSC. I undertook this role at the request of then Governor Manchin, and my commitment to him, and to each Governor for whom I have served, has been to fulfill my oath of office and to carry out my duties in a fair and honest manner and to the best of my abilities.

It goes without saying that I am available to assist from time to time in any way that I can between now and the end of my term to help with the transition of any new Commissioner or Chairman. Thank you for the opportunity you have provided to me to serve on the Commission during your administration.

Sincerely yours,
